- | Medium acid
- | Full-bodied
- | Delicately fragrant

- + We use coffee blends which are **mostly Arabica from Central and South America**.
- + We select **high-quality blends** according to their organoleptic properties.
- + We study the roasting degree and grinding granulometry, so that our products **can boast unique organoleptic properties for your applications**.
- + Our products are ideal for your “**clean label**” applications.
